

March 2011

Dear SAC'er and Parents,

Welcome to SAC and welcome back to all of you "veteran" SAC'ers. I know it will be a fun and exciting summer and I cannot wait to get started. Here is the first step in making SAC '11 the best possible experience for everyone.

Attached are the course forms for the summer. The first page lists our MAJORS (Majors are the arts disciplines that you wish to focus on during your SAC experience). Please check off what you wish your major to be. For SAC'ers majoring in dance, please fill in the number of years of training and the school in which you have trained so that we can place you appropriately. If you have danced in SAC in previous summers please note whether it was for ½ summer or full summer. **Please note there are no performance classes for beginning level dancers.**

Regarding our Theatre Workshop, please be aware that **everyone** is welcome to be in one of our summer musicals. You do not have to be a theatre major. Just be aware that rehearsals will be 3 mornings a week for 3 hours so it is a serious commitment. For full summer campers, please indicate if you want to be in both Session 1 and/or Session 2 productions. For *On Cue* you must be a full summer older camper or CIT.

On the last 2 pages please number the elective courses you would like to take in order of your preference. **PLEASE NUMBER AS MANY AS POSSIBLE.** I will try to accommodate your wishes whenever possible and would love flexibility. If there is something you absolutely do **not** want please put a **NO** next to this course. However, I urge you to try new classes over the summer. It's a great time to experiment. On the last page you should also indicate if you wish to swim, how often, and if you are interested in gymnastics.

These SAC class forms must be returned to me **NO LATER THAN APRIL 15<sup>th</sup>**. Late forms risk not getting all of your preferred choices.

Parents must also download the required **Medical Forms** as well as all **release forms**. Please fill them out thoroughly and return to me by **June 1<sup>st</sup>**. American Camping Association (ACA) rules state that we **cannot have your child in camp without these forms**, so make those camp check-up appointments now! The Medication Permission Forms authorize the camp medical director to administer certain medications to campers should they need it. **These forms require a doctor's signature.** We will try to contact a parent before administering the medication, however if the parent is unreachable, we will refer to the form. If you have questions about any of these forms please call me at (914) 472-3300 x 346.

Have fun choosing your SAC summer! You will receive your schedule approximately one week before camp begins.

Best.
