JCC Camps Policy on Allergies

Many children are allergic to various foods, especially nuts, and even the smallest trace of a substance, such as peanut butter, can cause a potentially fatal reaction. Young children can develop allergies at any time, even when there is no previous history; therefore, JCC Camps aim to provide a "peanut-free" environment. There will be no peanuts or peanut products served anywhere in camp either as lunch or as a snack. **No outside food is allowed in camp.**

Early Arrival/Late Pick-up

Childcare is provided at an extra cost, each morning from 8:00 - 9:00 am daily (*children entering Pre-K and up*) and each afternoon from 4:00-6:00pm should parents require it. Not applicable to Toward Tomorrow program.
